

2018
TUNIS تونس
43rd ANNUAL MEETING
ISLAMIC DEVELOPMENT BANK GROUP

IP for Commercializing Science, Technology and Innovation for Sustainable Development.

11:30 am to 3:30 pm, April 3, 2018, Ramada Hotel, Tunis

Overview

This event aims to raise awareness on the role of IP as a catalyst for sustainable development in the IsDB Member Countries. It also offers an opportunity for IP Offices as well as Technology Transfer Offices in the Member Countries to network and share best practices and lessons learnt.

The event will cover the following themes:

- **IsDB Initiative to establish a special Fund and IP Unit to promote and finance innovative projects.**
- **Role and support of WIPO in the field of innovation and IP, technical assistance and WIPO Match for IsDB Member Countries.**
- **Benefits of developing a network of IP stakeholders and IsDB.**
- **Role of innovation and IP in the global market to achieve the SDGs and promote innovation.**

This will be followed by a closed workshop from 2 pm to 3:30 pm where the representatives of the IP and Technology Transfer Offices from different Member Countries and WIPO will discuss the successful experience of the Turkish Patent Office.

Moderator	Ms. Amel BEN FARHAT
